## AUGUST 2026

### New facilities at Snoezelen

At the end of April, none other than our very own Kelly was invited as a VIP guest to the opening of the new Sensory Wing at Snoezelen. Representing Bath Road, Kelly was delighted to be part of the celebrations to mark such a significant milestone.

The new wing is a fantastic addition to the already superb facilities on offer at Snoezelen. It has increased their capacity and broadened the range of sensory experiences available to those who use the service. Bath Road has long supported

Snoezelen, Kelly and Danny particularly enjoy their regular sessions there. Back in 2024, they took part in fundraising for Snoezelen, so it is fantastic to see what that funding has helped to achieve. No doubt they will make the most of the new therapeutic facilities and enjoy the great difference that the new Sensory Wing will make.

### Fundraising Event

Hearing Dogs  
for Deaf People

Please put **Saturday 15<sup>th</sup> August** in your diary and come along to the Rainbow Hill Community Hub to support our service users who are fundraising for Hearing Dogs for the Deaf.

## Andrew's love for jigsaws rubs off on Michael

Those of you who have visited Bath Road over the years will be familiar with Andrew's jigsaw board in the sitting room. Andrew spends a substantial amount of time completing jigsaw puzzles and has been doing them independently since he moved to Bath Road.

Recently Michael has taken a keen interest too and under the watchful eye of Andrew he is learning how the pieces fit together.

It is lovely to see them spending time together and sharing in this challenging activity.

## Community Spirit in Action

Paul and Sam enjoy spending time together and share many of the same interests. Each week, they meet up either in Redditch or Worcester to take part in activities and catch up.

Sam is naturally very tidy and prefers things to be neat and clean. When he noticed a lot of litter around his neighbourhood, he mentioned it to Brett. Together they decided to do something positive about it and contacted Redditch Council to get some litter-picking equipment. Sam was delighted about this and he now keeps it at his flat. On one of Paul's visits to Redditch both of them headed out with the equipment and cleared a huge amount of rubbish from the surrounding area. Their efforts have helped make the neighbourhood cleaner and more pleasant for everyone.

Well done, Paul and Sam — a fantastic example of community spirit!

## Trip to Warwick Castle

Sam, Gail, Annabel and Craig had a brilliant day out at Warwick Castle in May. It was an outing they will remember for a long time particularly for Sam and Craig with their love for history.

The day began with the fantastic Viking Raiders Show which was set against the dramatic backdrop of the castle. The Saxons and Vikings enactment brought to life an epic battle scene of bygone days.

As we all know, Craig loves a bit of horror, so the Castle Dungeon was right up his street! It wasn't for the faint-hearted, as plague, persecution and punishment are all brought gruesomely to life.

Craig laughed his socks off when Jackie seized the opportunity to behead him, and the fun continued when Jackie herself was convicted of being a witch and had to dance in front of the crowd. It was a day packed with action, laughter and memories to talk about for a long time!

## Micah's Rainbow Treats

Micah has finished college for the summer and, with some extra time on his hands, he has set up a small business selling ice-cream outside the centre. We're sure you'll agree that the personalised branding on his ice-cream fridge looks fantastic!

During the current heatwave, Micah's new venture has been a very welcome addition to the community, and he is making the most of the passing trade.

# Sports Day 2026

The 14<sup>th</sup> July marked the end of term for Tuesday Club, so the annual Sports day took place at Worcester Woods. It was a wonderful and enjoyable event for all taking part. The weather was glorious and a lot of suncream was applied. Everyone participated and enjoyed the variety of fun-filled sports and activities.

Burning off such a number of calories everyone was ready to tuck into the delicious picnic they brought along and relax in the sunshine. At the end of the day, everyone received a prize to celebrate their participation and achievements. The day finished on a high note with Marie leading an enjoyable outdoor dance class, which everyone had great fun taking part in and dancing to the music.
